

STANDARD OF CARE FOR DIETITIANS

LIVING COELIAC SAFE TOOLKIT 2021

The Coeliac NZ Medical Advisory Panel has prepared a dietitian standard of care for adults newly diagnosed with coeliac disease and a 'new patient checklist' for dietitians supporting adult clients who have been newly diagnosed with coeliac disease.

If you are a dietitian or health care professional and would like a copy of these resources, please contact Lisa Jury, Health Promotion Manager for Coeliac NZ, healthpromotion@coeliac.org.nz.
